

# CORONA SCHOOL LEKKI

13 AJIRAN ROAD, AGUNGI LEKKI

July 15, 2011

Dear Parents,

It has been a wonderful session, filled with fun and educational activities. The children were exposed to a wide range of learning opportunities both inside and outside the classroom. In support of our vision to build leadership qualities in our children, the theme for this session was “**Leaders of Influence**” and pupils from each class delved on various leaders all over the world and highlighted leadership qualities that contributed to their success stories. Also in our drive to inculcate high moral and ethical values in our children, we had a “**Virtue in Focus**” every fortnight.

We thank God for all the achievements of our children in the course of the session. the impact of PRC (Pupils, Representative Council) cannot be overemphasized as they initiated our maiden Inter-house sports and a charity drive for the less privileged.

We travelled through the world in our Open House with the theme **People and Places of the world**. Not forgetting the nursery and primary six graduations which marked the beginning of a new phase for our graduands. Indeed it has been a third term full with worthwhile activities.

As we end the term, we congratulate our children who have done exceptionally well and encourage others who are working at it. Please note the following:

- The third term ended on Thursday, 7<sup>th</sup> July 2011; as a result, the third term result will not be available for collection today. As is our practice, we will send them to your mail boxes next week Friday, 22<sup>nd</sup> July 2011. However, those who request hard copies should please call the school and inform the secretary ahead.
- A parents’ forum to welcome new parents and meet with the teachers for next session will take place on Friday, 9<sup>th</sup> September 2011. If there is any change to this effect, you will be notified via SMS.
- Our Open House theme for next session is “**Scientists and Inventors**”. Please direct the interests and activities of the children as much as possible during the holiday in this direction.

We wish you a most interesting summer holiday.

Yours sincerely

Adeyoyin Adesina (Mrs.)

**Head of School**
